**PETITION UNDER 37 C.F.R. §1.181 TO ENTER INFORMATION DISCLOSURE
STATEMENT**

Sir:

Applicant respectfully petitions under 37 C.F.R. §1.181 that the Examiner enter the Information Disclosure Statement filed on November 22, 2002.

Specifically, Applicant petitions for the Examiner to consider each of the references cited therein. Specifically, on August 16, 2005 the Examiner considered the IDS, however, the Examiner did not consider and initial JP 4-8872. Indeed, the Examiner erroneously crossed-out this reference on the Form PTO-1449 (presumably because a translation was not provided for this reference).

However, the IDS filed on November 22, 2002 clearly stated that as a concise statement of relevance, a translation of a portion of an official action, in which the above reference was cited, was included with the IDS. Accordingly, the Examiner must consider this reference.

Therefore, Applicant petitions for the Examiner to consider each of the references cited in the IDS filed on November 22, 2002 and to provide Applicant with a new initialed

copy of the Form PTO-1449 indicated that each of the references has been considered.

Applicant submits that the above explanation was provided to the Examiner in the Amendment filed on April 30, 2007. The Examiner, however, has not yet considered the reference and the Examiner has not responded to Applicants comments and request for consideration of the IDS.

Applicant has again attached herewith a copy of the Form PTO-1449 and date-stamped filing receipt for the IDS filed on November 22, 2002.

Respectfully Submitted,
